

ICT performance tasks for Primary stage, grade 6

المهام الأدائية لمادة تكنولوجيا المعلومات والاتصالات

ICT

للصف السادس الابتدائي – فصل دراسي ثاني

للعام الدراسي 2023-2024

❖ تعليمات عامة:

- ✓ يستغرق العمل على المهمة حصتين دراسيتين متتاليتين.
- ✓ يوزع المعلم أوراق المهمة على الطلاب ويوضح لهم المقصود منها.
- ✓ يشرف المعلم على مراحل تنفيذ المهام خلال الحصص المخصصة لذلك.
- ✓ يجيب الطلاب عن المطلوب من المهمة فى نفس الورقة.
- ✓ لامانع من استخدام الطالب للكتاب المدرسى إذا أراد ذلك.
- ✓ يتم تصحيح المهمة من 35 درجة كما يوضح الجدول التالى:

المرحلة	التخطيط	جدية العمل	المنتج النهائي	الدرجة النهائية
الدرجة	5 درجات	5 درجات	25 درجة	35 درجة

Performance tasks of information and communication technology G6T2

STUDENTNAME:

Task implementation date:

Task implementation time: A period (2 lessons)

Performance task (1)
"Free software versus non-free software"
Task Description
Dear student... Determine which of the following software is free and which is not.

gimp

PHOTOSHOP

macOS

fedora

Performance tasks of information and communication technology G6T2

STUDENTNAME:

Task implementation date:

Task implementation time: A period (2 lessons)

Performance task (2)
"Computing Communication Tools"
Task Description

- **Dear student... Google Meet is one of the most popular computer-mediated communication platforms that we use. Connect column (A) with the appropriate column (B):**

column (A)			column (B)	
1	Option "New Meeting".		A	After the video conference ends,
2	Field "Enter Code or Link".		B	used to create a meeting.
3	Check internet connection.		C	used to join a meeting.
4	Send an email with the meeting summary.		D	before communicating via video conference.

Performance tasks of information and communication technology G6T2

STUDENTNAME:

Task implementation date:

Task implementation time: A period (2 lessons)

Performance task (3)
"Creating a Database"
Task Description
Dear student... You can create a database using Excel software; arrange the following steps to fill the columns in Excel.

	A	B
1	ID Number	Class Name
2	111-11-11	Class 1
3	111-11-12	Class 2

A	Move to the next column.	
B	Write "ID number" in cell A1 and "Chapter Name" in cell B1.	
C	Write the chapter name in the correct column.	
D	Write the ID number in the correct column.	

Performance tasks of information and communication technology G6T2

STUDENTNAME:

Task implementation date:

Task implementation time: A period (2 lessons)

Performance task (4)
"Programming and digital problems and how to solve them"
Task Description

Dear student... You have previously studied some digital problems related to computers, and you have some problems. Choose the appropriate solution for each problem in front of you.

Corrupted file won't open	Laptop not charging	Accidentally deleted a file

- ***Proposed solutions for the aforementioned problems "Choose the appropriate solution for each problem and write it in the appropriate place in the table above":***
- Check for dust or water in the port.
- Click on the link and follow the steps to reset the password.
- Access the recycle bin where deleted files are temporarily stored and recover the file.
- Try opening the file using a different program.
- Make sure you are not using a different file name.

Performance tasks of information and communication technology G6T2

STUDENTNAME:

Task implementation date:

Task implementation time: A period (2 lessons)

Performance task (5)
"Creating Presentations"
Task Description
Dear student… Inserting a flowchart into a presentation is crucial for designing a standout presentation. In this regard, follow the steps below to create a flowchart in PowerPoint:

A	Select "List" and then choose a flowchart.	
B	Choose the "Insert" tab.	
C	Click on "OK".	
D	Click on "Text" to add information.	
E	Press SmartArt.
